American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, call that provider to ask if he or she is still part of this health plan. Also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your contract or Member Handbook carefully to find out what is covered.

Introduction

At UCare, we make it easy to access the services you need when you need them. This Provider and Pharmacy Directory lists all of the current primary care providers and specialists available to you as a UCare member. You have access to primary care services through the primary care clinic you have chosen. You also have access to all of the specialists in this directory, including specialty clinics, chiropractors, vision care providers, and dental providers. You can see all the specialists in our network without a referral.

You must get all of your health care from UCare network providers. There are some exceptions. Examples of exceptions are: emergency or urgent care, open access services, and other previously authorized services. If you have questions about the providers you should use, please contact UCare Customer Service at **612-676-3395 or 1-877-903-0061 toll free**, 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 toll free**.

Please refer to your Member Handbook for details about covered services and the services that require authorizations. Following is information on how to access several specialties.

UCare uses a network of **behavioral health** and **substance use disorder** providers in your community. You can get current information about those providers by using the Search Network feature on **ucare.org** or calling Customer Service at **612-676-3395 or 1-877-903-0061 toll free**. Hours of service are 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 toll free**. After hours and on weekends, members can call the UCare 24/7 nurse line for help finding provider information. The phone number for the UCare 24/7 nurse line can be found on the back of your Member Identification card.

UCare contracts with Delta Dental of Minnesota (Delta Dental) to manage your dental benefits. For more information on UCare's dental services, you can go online to **ucare.org/dental**, or call the UCare Dental Connection at **651-768-1415 or 1-855-648-1415 toll free** from 7 am – 7 pm, Monday – Friday. TTY users can call **711**. The UCare Dental Connection can help you find a Delta Dental CivicSmiles® provider or dental home; schedule dental appointments, including appointments for follow-up and specialty care; coordinate transportation to dental appointments; coordinate interpreter services for dental appointments; and answer dental benefit and claims questions.

In an emergency that needs treatment right away, either call 911 or go to the nearest emergency room. In other cases, call your primary care doctor's office for instructions on how to get urgent care or after-hours care. The number is answered 24 hours a day. You can also call the UCare 24/7nurse line at the number on the back of your Member ID card. The UCare 24/7 nurse line is answered by nurses 24 hours a day, seven days a week.

You must call UCare's Customer Service Department at **612-676-3395 or 1-877-903-0061 toll free** within 48 hours, or as soon as you are able, if you are admitted to an out-of-network hospital. If you are hearing impaired, please call our TTY line at **612-676-6810 or 1-800-688-2534 toll free**.

We do not cover **Home and Community-Based Services** for people with disabilities, but you may be eligible to get them through your county. Call your county to apply for waiver services under the Community Alternatives for Disabled Individuals (CADI), Brain Injury (BI), Community Alternative Care (CAC), or Developmental Disability (DD) waiver programs. These waiver programs offer more services than regular Medical Assistance. Services include extended home care, assisted living, supported employment, and more.

They often need special handling. They also might have side effects that need to be monitored by a trained pharmacist or nurse.

Enrollees with Medicare must use a Medicare Part D prescription drug plan for Part D covered drugs. Contact your Medicare Part D prescription drug plan if you have questions about how to access Part D

drugs. For UCare Connect members who are eligible for Medicare, UCare only covers Medical Assistance (Medicaid)-covered drugs on our formulary not covered by Medicare.

Important Information

Upon enrollment, all members have access to a care navigator who can help you access health care services.

You will be offered a health risk assessment (HRA) within 30 days of enrollment and annually thereafter. We review the HRA and other information to identify your needs.

We offer you case management services based on your needs and current services. The case manager will develop a care plan with you and your interdisciplinary care team.
