| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| <b>What is the overall <a href="#">deductible</a>?</b>                                | In-network: \$1,950/Individual; \$3,900/Family. Non-network: \$3,900/Individual; \$7,800/Family. <a href="#">Deductible</a> doesn't apply to in-network preventive care. <a href="#">Copayments</a> don't apply to <a href="#">deductible</a> . | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .  |
| <b>Are there services covered before you meet your <a href="#">deductible</a>?</b>    | Yes. <a href="#">Preventive services</a> , formulary generic drugs, ER and office visits. Limitations apply.  | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without cost sharing and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .   |
| <b>Are there other <a href="#">deductibles</a> for specific services?</b>             | No.   | You don't have to meet <a href="#">deductibles</a> for specific services.   |
| <b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b> | \$5,850/Individual; \$11,700/Family. No <a href="#">out-of-pocket limit</a> for non-network services.   | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.   |
| <b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>               | <a href="#">Premiums</a> , all non-network services, non-network balance-billed charges, and health care services this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .   |
| <b>Will you pay less if you use a <a href="#">network provider</a>?</b>               | Yes. See <a href="http://www.ucare.org">www.ucare.org</a> or call toll-free 1-877-903-0070 or TTY/Hearing Impaired: 1-800-688-2534 for list of <a href="#">network providers</a> .  | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services. (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| <b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>    | No.   | You can see the in-network <a href="#">specialist</a> you choose without a <a href="#">referral</a> .   |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
