Annual wellness visit

Have you had your annual preventive checkup this year?

An annual wellness visit, sometimes called a preventive checkup, is different than other doctor visits or checks. It is the one time of year the doctor checks your overall health to help prevent illness or injury.

During your annual visit your doctor will check:

- Blood pressure
- Medications
- Mood changes
- Physical activity
- Balance troubles
- Sleep issues
- Urine leakage
- Weight gain or loss
- Vaccinations due
- Fall risks

If you have questions, call Customer Services
at the number on the back of your UCare ID Card.

Vouchers apply to current MSHO and *UCare Connect + Medicare* members enrolled at the time of the checkup. Limit one gift card reward per voucher per calendar year. A provider signature is required. Allow 4-6 weeks for gift card delivery. Incomplete or ineligible vouchers will be returned. Voucher good for one year from date of visit.
