Denials, Termination, and Reduction (DTR)
What are DTRs?

DTR = Denial/Termination/Reduction.

• Required in specific situations - when services are:
  – Requested by enrollee.
  – Ordered by network provider.
  – Ordered by approved non-network provider.
  – Ordered by care manager.
  – Ordered by a court.

• DTR letters serves as “official notification” to members and providers when a service (requested or ordered as above) is denied, terminated, or reduced.
DTR Requirements

• DHS contracts are very specific when it comes to DTRs.
  – mandates timeframes for decision making and notification.
  – mandates what has to be on the notice.
Notice Requirements

• A DTR notice must provide information regarding:
  – Service requested.
  – Determination.
  – Reason for determination.
  – Supporting citation (policy) for determination.
  – Member appeal rights.

• Form must be approved by DHS, contain language block.
DTR Notice

• The official DTR letter is issued by UCare
  – Notice is issued when a service is denied, terminated or reduced.

• Notice is sent to:
  – Member.
  – Provider.
  – Care Coordinator (fax).

• “Notice of Action” is DHS’s terminology, although the actual notice is a UCare form.
General Info About DTRs

• Care Coordinators only deal with DTRs for EW services and PCA services.
• DTRs of waiver services require a DTR notice to be sent to the member and provider, but do not require “utilization review”.
• Care coordinators (nurses or social workers) may make waiver and PCA DTR determinations.
  – However, DTR of waiver and PCA services still require a formal DTR notice.
• When in doubt, issue a DTR.
DTR Notice Timeframe

- Decision to *Deny, Terminate, or Reduce* a service
  - Must be made and communicated to member and provider within 14 calendar days of their request for the service.
  - Request usually is made to the CC, or by the CC, but could also be made to others (provider)
  - Day 1” = date request is first received to the CC.
- In order to meet this timeframe, the CC must send the DTR Notification form to UCare no later than 1-3 business days of request.
Advance Notice

For Terminations and Reductions, an advance notice is required before services are terminated or reduced.

• Must give *14 calendar days after* notice is mailed to member.
• Services must continue through the notice period.
• UCare enters effective date of termination/reduction on letter.
DTR Process

• Member, provider, CC requests a waiver service.
• CC determines the service is denied, terminated, or reduced
  – Decision must be made and communicated to member and provider within 14 calendar days of request.
• CC sends Waiver DTR Notification Form to UCare
  – This form tells UCare to issue a formal DTR notice to member and provider.
  – Must be sent timely so we can notify member within 14 days of request.
• UCare sends the formal notice (DTR form) to the mbr and provider.
  – Contains DHS-required info, including appeal rights and language block.
• For Terminations and reductions, the 14 calendar day advance notice is figured out by UCare and entered on DTR form by UCare.

**PCA Services** - This section is used to request and/or deny/terminate/reduce PCA services (e.g. 45 Day Temp Start/Increase, Reduce/Term PCA services, PCA Extended services). Please also use this section to report inability to complete PCA assessment due to member refusal/unable to reach or denial of an early PCA reassessment.

- Provide LTC/EW date span.
- Service description — select from most commonly used.
- *45 day temp authorizations cannot exceed 45 days and cannot be used to cover gap in services.*
- Service frequency — should indicate the amount TOTAL of PCA services (e.g. Current XX hours daily, increase by XX hours to TOTAL XX hours daily x 45 day).
- List provider's name and UCare legacy number.
- To better understand your request, provide a detailed description.

As the Care Coordinator and entity responsible to conduct the PCA Assessment, Page 9 of the Supplemental PCA Assessment should be completed at the time of the face to face PCA Assessment to request/recommend less PCA hours (than assessed) in lieu of other waiver services.

In the event a reduction or termination in PCA is being requested after the PCA Assessment has already taken place (days or months later); use this section to reduce/terminate PCA services as requested by the member.

**Change of PCA Provider** - The member has the right to choose freely among available providers and to change providers after services have begun, within the limits of health insurance, long-term care insurance, and medical assistance, or other health program (Mn Home Care Bill of Rights/Mn Statute 144A.44).

- We recommend an allowance of an advance 14 day transfer date to change to new PCA provider.
- PCA Providers are required to communicate these changes with one another to prevent duplicate and overlapping services.
- UCare's PCA Team will provide an official end date notice to the current (old) provider.
- If an advance transfer date cannot be provided, a detailed explanation and description must be included.
- To ensure member's right to choose, member/RP and Care Coordinator acknowledgement and signature should be affixed in this section.

**Notification of Chosen Provider** - If member did not identify a PCA provider at the time of the assessment and now has chosen one, use this section to report the chosen provider. To ensure member's right to choose, member/RP and Care Coordinator acknowledgement and signature should be affixed in this section.
Form must be completed by UCare Care Coordinator.
