Introduction

This Provider and Pharmacy Directory includes information about the provider and pharmacy types in UCare’s MSHO and listings of all the plan’s providers and pharmacies as of the date of this Directory. The listings contain provider and pharmacy address and contact information as well as other details, as applicable, such as days and hours of operation, specialties, and skills. Key terms and their definitions appear in alphabetical order in the last chapter of the Member Handbook.

UCare’s MSHO has been approved until December 31, 2019, by the National Committee for Quality Assurance (NCQA), a non-profit organization dedicated to improving health care quality.

UCare’s MSHO will accept all eligible people who choose the Plan. We will not discriminate in regard to your physical or mental condition, health status, need for or receipt of health services, claims experience, medical history, genetic information, disability, marital status, age, sex, sexual orientation, national origin, race, color, religion, or political beliefs. UCare’s MSHO will not use any policy or practice that has the effect of such discrimination.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, you should call that provider to ask whether he or she is still part of this health plan. You should also ask if he or she is accepting new patients. This health plan may not cover all your health care costs. Read your contract or Member Handbook carefully to find out what is covered.

American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any conditions for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your health plan Primary Care Provider (PCP) prior to the referral.
A. Disclaimers

• UCare's MSHO is a health plan that contracts with both Medicare and the Minnesota Medical Assistance (Medicaid) program to provide benefits of both programs to enrollees. Enrollment in UCare's MSHO depends on contract renewal.

• This Directory lists health care professionals (such as doctors, nurse practitioners, and psychologists), and facilities (such as hospitals or clinics) that you may see as a UCare MSHO member. We also list the pharmacies that you may use to get your prescription drugs.

• We will refer to these groups as “network providers” in this Directory. These providers signed a contract with us to provide you services. This is a list of UCare MSHO’s network providers for the following counties: Aitkin, Anoka, Becker, Benton, Blue Earth, Carlton, Carver, Cass, Chippewa, Chisago, Clay, Cook, Cottonwood, Crow Wing, Dakota, Dodge, Faribault, Fillmore, Freeborn, Hennepin, Houston, Isanti, Jackson, Kandiyohi, Kittson, Koochiching, Lac qui Parle, Lake, Lake of the Woods, Le Sueur, Lincoln, Lyon, Mahnomen, Marshall, Martin, Mille Lacs, Morrison, Mower, Murray, Nicollet, Nobles, Norman, Olmsted, Otter Tail, Pennington, Pine, Polk, Ramsey, Red Lake, Redwood, Rice, Rock, Roseau, Saint Louis, Scott, Sherburne, Stearns, Swift, Todd, Wabasha, Wadena, Washington, Watonwan, Winona, Wright, and Yellow Medicine.

• You can get this document for free in other formats, such as large print, braille, or audio. Call Customer Services at the number at the bottom of this page.

• To make a standing request to always get your UCare materials in a language other than English or in an alternate format such as large print, please contact Customer Services at the number listed below.

• The list is up-to-date as of May 2019, but you need to know that:

  - Some UCare MSHO network providers may have been added or removed from our network after this Directory was published.

  - Some UCare MSHO providers in our network may no longer be accepting new members. If you are having trouble finding a provider who will accept new members, call Customer Services at the number at the bottom of this page and we will help you.

  ➔ To get the most up-to-date information about UCare’s MSHO network providers in your area, visit ucare.org or call Customer Services at the number at the bottom of this page. Doctors and other health care professionals in UCare's MSHO network are listed in Section C on pages 3–1,027.
B. Background Information about UCare MSHO’s Network Providers

B1. Key Terms
This section explains key terms you’ll see in our Provider and Pharmacy Directory.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
  - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
  - Providers that are a part of our plan’s network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. That means they accept members of our plan and provide services our plan covers. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
  - **A Primary Care Provider** (PCP) is a medical professional who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
  - **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - **Oncologists** care for patients with cancer.
    - **Cardiologists** care for patients with heart conditions.
    - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- You also have access to a **Care Coordinator**. A **Care Coordinator** helps you manage your medical providers and services.

If you have questions, please call UCare’s Minnesota Senior Health Options (MSHO) (HMO SNP) Customer Services at 612-676-6868 or 1-866-280-7202 toll free, TTY/TDD 612-676-6810 or 1-800-688-2534 toll free, 8 am to 8 pm, 7 days a week. The call is free. For more information, visit ucare.org.
B2. How to choose Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

When you become a member of our plan, you will choose a Primary Care Provider who is part of our plan network. This provider will be your Primary Care Provider.

If you did not choose a Primary Care Provider or would like to make a change to your Primary Care Provider, go to the list of providers in section C1 on page 137 and choose a provider:

- that you use now, or
- who has been recommended by someone you trust, or
- whose offices are easy for you to get to.

→ If you want help in choosing a PCP, please call Customer Services at the number at the bottom of this page.

→ If you have questions about whether we will pay for any medical service or care that you want or need, call Customer Services and ask before you get the service or care.

B3. How to get long-term services and supports (LTSS)

You may be able to get long-term services and supports (LTSS), such as services provided by the Elderly Waiver (EW) program as a UCare MSHO member. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

After you enroll, you will be assigned a UCare Care Coordinator who will work with you to assess your individual needs and assist in coordinating care and services for you. Your Care Coordinator will also work with you to develop and maintain an individualized care plan based on your needs and preferences.

Your Care Coordinator will help you identify the specific LTSS within your care plan that will help you meet your individual care goals, if you qualify for them. Your Care Coordinator will also help you identify your needs as you transition between levels of care.

If you are getting LTSS at the time you enroll, you will get these services through your UCare Care Coordinator. If you reside in the community and are not getting LTSS at the time of enrollment, your first screening will include an assessment of your need for these services. If you are assessed as eligible, your Care Coordinator will work with you to get these services.

You must have a Long-Term Care Consultation (LTCC) done and be found to be eligible to get additional services or support. You can ask to have this assessment in your home, apartment, or facility where you live.

Your care coordinator will meet with you and your family to talk about your care needs if you call to ask for a visit.

Your care coordinator will give you information about community services, help you find services to stay in your home or community, and help you find services to move out of a nursing home or other facility.

If you need transition planning and coordination services to help you move to the community, you may be eligible to get Moving Home Minnesota (MHM) services. MHM services are separate from EW services, but you must be eligible for EW.

If you are eligible to receive Home and Community Based Services (HCBS) you must use providers who are enrolled with DHS for HCBS/waiver services. A complete list of enrolled providers is

If you have questions, please call UCare’s Minnesota Senior Health Options (MSHO) (HMO SNP) Customer Services at 612-676-6868 or 1-866-280-7202 toll free, TTY/TDD 612-676-6810 or 1-800-688-2534 toll free, 8 am to 8 pm, 7 days a week. The call is free. For more information, visit ucare.org.
available on DHS’s MnHelp website. Provider lists are also available by accessing the DHS licensing look-up website or the MDH Health Care Facility and Provider Database.

UCare contracts directly for some extended waiver services, such as transportation, personal care assistants (PCA) and home health services covered through the waiver as “extended” services. PCA, Home Health Care or DME provider lists are available through the Search Network tool on UCare’s website.

Providers must obtain a UCare provider number and use this when billing for waiver services. Providers must limit the waiver services they deliver to services for which they are qualified and contracted to provide. Providers who had a contract with UCare that included Elderly Waiver Services must still follow the re-enrollment process that DHS created to provide services to UCare members.

To find out more about these services, see your Member Handbook. Call Customer Services at the number at the bottom of this page to get more information on how to access these services.

B4. How to access UCare MSHO’s network providers

You must get all of your covered services from providers within our network. If you go to providers who are not in UCare’s MSHO network (without prior authorization or approval from us), you will have to pay the bill.

A prior authorization is an approval from UCare’s MSHO before you can get a specific service, drug, or see an out-of-network provider. UCare’s MSHO may not cover the service or drug if you don’t get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if UCare’s MSHO gives you permission first.

→ You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider.

→ UCare’s MSHO works with all the providers in our network to accommodate the needs of people with disabilities. If you need to see a provider and are not sure if they offer the accommodations you need, UCare’s MSHO can help you. Talk to your care coordinator for assistance.

B5. How to find UCare’s MSHO providers in your area

Turn to the Table of Contents that starts on page 1 to search for network providers. You can search according to the type of provider you need: Urgent Care Clinics, Nursing Homes, Primary Care Clinics, Health Care Homes, Visiting Clinic Teams, etc. Under each provider type, providers are organized alphabetically by state, county, and city.

How to access out-of-network providers?

In some cases, you may get covered services from out-of-network providers. “Out-of-network providers” are providers that are not part of UCare’s MSHO network. To receive services from an out-of-network provider, you must get a prior authorization from us in order for those services to be covered. Exceptions to out-of-network restrictions include services such as emergencies, post-stabilization, urgently needed services when our network is not available, out-of-area renal dialysis services, and open access services.

If you have questions, please call UCare’s Minnesota Senior Health Options (MSHO) (HMO SNP) Customer Services at 612-676-6868 or 1-866-280-7202 toll free, TTY/TDD 612-676-6810 or 1-800-688-2534 toll free, 8 am to 8 pm, 7 days a week. The call is free. For more information, visit ucare.org.
If you do not get a prior authorization from us when needed, the bill may not be paid. If an out-of-network provider bills you directly for services, submit the bill to UCare, and we will determine if the services are completely covered. State and federal laws prevent us from paying you back directly for most medical bills. The exception is if you pay for Part D prescription drugs. If you paid for a service that you think we should have covered, or for more information on out-of-network providers, please contact Customer Services.

**How to access specialty providers?**

UCare allows members of our plan to have direct access to network providers without a referral to specialty providers. We have formed a network of specialty providers. Each time you get health services, check to be sure the provider is a network provider.

We encourage you to work with your primary care doctor to assess your health needs and recommend a specialty provider for you. If you see a specialty provider without consulting your primary care doctor, it is important to tell your primary care doctor about the specialty doctor visit. It is important that your primary care doctor knows about all your medical needs.

You can get additional information on how to access specialty care by calling Customer Services at the number at the bottom of this page.

**How to find a network pharmacy?**

The Pharmacy section that lists pharmacy providers is located in Section C.

Please refer to the Pharmacy section to find an updated list of pharmacy providers. Or call Customer Services at the number at the bottom of this page.

**How to determine whether a facility is accessible?**

Providers were asked to complete a questionnaire about accessibility in three areas: parking, entry ways and other relevant spaces, and office exam rooms and equipment. Responses to the questionnaire are included in the provider listings.

If you need more information about access options, you can obtain information by calling Customer Services at the number at the bottom of this page. This could include, but is not limited to, information such as availability of flexible hours or wheelchair access.

**How to access Interpreter Services?**

Hearing and language interpreter services are available to help you get services. Oral interpretation can be given to you in your language. You may be able to get written information in your language. For more information call Customer Services.

**How to get more information about personal care provider organizations (PCPO) and home care agencies?**

PCPOs and home care agencies are not listed in this Provider Directory. Call our Customer Services Department to get more information on how to get a list of PCPOs and home care agencies. You can also get this information at ucare.org.

If you have questions, please call UCare’s Minnesota Senior Health Options (MSHO) (HMO SNP) Customer Services at 612-676-6868 or 1-866-280-7202 toll free, TTY/TDD 612-676-6810 or 1-800-688-2534 toll free, 8 am to 8 pm, 7 days a week. The call is free. For more information, visit ucare.org.
C. UCare’s MSHO’s List of Network Providers

This part of the Directory includes a list of UCare’s MSHO’s network providers who participate in and accept UCare’s MSHO. It contains:

- **Health care professionals** including primary care physicians, specialists, mental health and substance use disorder providers (behavioral health), and dentists;

- **Facilities** including hospitals, nursing facilities, mental health facilities, IHS and Tribal facilities and clinics.

You may receive services from any of the providers on this list.

Providers are listed in alphabetical order by last name. In addition to contact information, provider listings also include specialties and skills, for example, such as languages spoken or completion of cultural competence training. To get the most up-to-date information about UCare’s MSHO network providers in your area, visit ucare.org or call Customer Services at the number on the bottom of this page.

**Cultural competence training** is additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

D. Background Information about UCare MSHO’s Network Pharmacies

This part of the Directory provides a list of pharmacies in UCare’s MSHO’s network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside our service area. You may also fill your prescriptions at these pharmacies. Please contact UCare’s MSHO at the number at the bottom of this page.

- UCare’s MSHO members must use network pharmacies to get prescription drugs.

- You must use network pharmacies except in emergency or urgent care situations.

- If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the UCare’s MSHO Member Handbook for more information.

- Some network pharmacies may not be listed in this Directory.

- Some network pharmacies may have been added or removed from our plan after this Directory was published.

We have pharmacies outside Minnesota. Please contact Customer Services at the number at the bottom of this page for more information.

If you have questions, please call UCare’s Minnesota Senior Health Options (MSHO) (HMO SNP) Customer Services at 612-676-6868 or 1-866-280-7202 toll free, TTY/TDD 612-676-6810 or 1-800-688-2534 toll free, 8 am to 8 pm, 7 days a week. The call is free. For more information, visit ucare.org.
For up-to-date information about UCare’s MSHO network pharmacies in your area, please visit our web site at ucare.org or call Customer Services at the number at the bottom of this page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Member Handbook and UCare’s MSHO List of Covered Drugs. You can find the latest List of Covered Drugs on our website at ucare.org.

D1. Types of pharmacies in UCare MSHO’s network
Along with retail pharmacies, your plan’s network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.

- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies
  → You are not required to continue going to the same pharmacy to fill your prescriptions. You can go to any of the pharmacies in our network.

D2. Long-term supplies of prescriptions
- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. A 90-day supply has the same copay as a one-month supply.

Visiting Clinics

You can get updated information about providers in this list by using the Search Network feature on ucare.org or calling UCare Customer Services at the numbers listed on page i. You can also get information on specialists not listed in this booklet by calling UCare Customer Services at the numbers listed on page i.

The Visiting Clinic Team provides primary health care services in the residential care setting which includes assisted living, skilled nursing facilities and group homes. Services include, for example, preventive care; medication management; evaluation, diagnosis, and treatment; and chronic disease management. Visiting Clinic Teams may refer patients to specialty and other health care providers in the UCare network when such services are not available at the members' residences. Please contact the specific Visiting Clinic Team to determine if they provide services at your residential care site before choosing this provider as your primary care clinic.
