

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to [www.ucare.org/BenefitDocuments](http://www.ucare.org/BenefitDocuments) or call 1-877-903-0070 or TTY/Hearing Impaired: 1-800-688-2534. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other [underlined](#) terms see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call 1-877-903-0070 or TTY/Hearing Impaired: 1-800-688-2534 to request a copy.

Important Questions	Answers	Why This Matters:
<a href="#">What is the overall deductible?</a>	In-network: \$3,000/Individual; \$6,000/Family. Non-network: \$6,000/Individual; \$12,000/Family. <a href="#">Deductible</a> doesn't apply to in-network preventive care. <a href="#">Copayments</a> don't apply to <a href="#">deductible</a> .	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<a href="#">Are there services covered before you meet your deductible?</a>	Yes. <a href="#">Preventive services</a> , formulary preferred generic drugs, ER and office visits. Limitations apply.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without cost sharing and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<a href="#">Are there other deductibles for specific services?</a>	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
<a href="#">What is the out-of-pocket limit for this plan?</a>	\$7,500/Individual; \$15,000/Family. No <a href="#">out-of-pocket</a> limit for non-network services.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<a href="#">What is not included in the out-of-pocket limit?</a>	<a href="#">Premiums</a> , all non-network services, non-network balance-billed charges, and health care services this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<a href="#">Will you pay less if you use a network provider?</a>	Yes. See <a href="http://www.ucare.org">www.ucare.org</a> or call toll-free 1-877-903-0070 or TTY/Hearing Impaired: 1-800-688-2534 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<a href="#">Do you need a referral to see a specialist?</a>	No.	You can see the in-network <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
