This directory provides a list of UCare Individual & Family Plans network providers and pharmacies.

The information in this directory is current as of 03/24/2020. To see the most current information about UCare Individual & Family Plans providers, visit ucare.org and click on the “Search Network” link. You can also call the provider or clinic directly, or call UCare Customer Service at 612-676-6600 or 1-877-903-0070 toll free, 8 am – 6 pm, Monday – Friday. TTY: 612-676-6810 or 1-800-688-2534 toll free.

You may go to any of our network providers listed in this directory. And you can receive all covered services without a referral. To get the highest level of benefits for covered services, you generally must receive those services from a network provider.

In some cases, you may get covered services from non-network providers. If you receive services from a non-network provider, you may have to pay more compared to your costs for services from a network provider.

UCare Individual & Family Plans Service Area

The Minnesota counties in our service area are: Aitkin, Anoka, Benton, Carlton, Carver, Cass, Chisago, Cook, Crow Wing, Dakota, Hennepin, Isanti, Itasca, Kanabec, Koochiching, Lake, Mille Lacs, Morrison, Pine, Ramsey, Scott, Sherburne, St. Louis, Stearns, Todd, Wadena, Washington, and Wright.

All MNsure plan networks consist of primary care physicians, hospitals and a full range of specialists. When developing a network, UCare considers the location of the providers and hospitals in relation to where our members live. We want all members to have access to all types of network providers within a reasonable distance. The decision to add a clinic or hospital to the network is based on plan design and the ability to provide care to members, and does not take quality, member experience or cost performance measures into consideration.

Cost Sharing

You may have to pay an amount toward some health care services. This is called cost sharing. Examples of cost sharing are copays or deductibles for certain services. You are responsible for paying your cost sharing amount to your provider. Members receive a Member Contract with more information about cost sharing.

Member Contract

For detailed information about covered health care services, see your Member Contract. It also explains your rights and responsibilities as a UCare member.

Member Identification (ID) Cards

Members get a health plan Member Identification (ID) card. Show this card whenever you get health care.

Lactation Counseling

If you need lactation counseling, contact your Primary Care Clinic or an in-network hospital to coordinate those services for you.

Nurse Line

Call the UCare Nurse Line for advice on getting the best treatment for your health issue. The Nurse Line is available at no cost to you 24 hours a day, seven days a week. The number is on the back of your Member ID Card.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 30 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Express Scripts Mail Order Pharmacy at 1-877-567-6320, TTY users call 1-800-716-3231 toll free. You may also login to Express-Scripts.com.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at:
