Medicare Advantage Plans

**Medicare Preferred Provider Organization (PPO).** A type of Medicare Advantage plan available in a local or regional area in which you pay less if you use doctors, hospitals, and providers that belong to the network. You can use doctors, hospitals, and providers outside of the network for an additional cost.

**Medicare Health Maintenance Organization with a Point-of-Service Contract (HMO-POS).** A Medicare Advantage plan that must cover all Part A and Part B health care. You generally must get your care and services from doctors, other health care providers, or hospitals in the plan's network (except emergency care, out-of-area urgent care, or out-of-area dialysis). With the Point-of-Service (POS) option, you can also go out-of-network for some other non-emergency services, usually for a higher cost.

**Medicare Health Maintenance Organization (HMO).** A Medicare Advantage plan that must cover all Part A and Part B health care. In most HMOs, you can only go to doctors, specialists, or hospitals in the plan's network except in an emergency.

**Medicare Special Needs Plan (SNP).** A special type of Medicare Advantage plan that provides more focused and specialized health care for specific groups of people, such as those who have both Medicare and Medicaid, who reside in a nursing home, or have certain chronic medical conditions.
By signing this form, you are agreeing to a sales meeting with a sales representative to discuss the specific types of products you initialed above. The person that will be discussing plan options with you is either employed or contracted by a Medicare health plan that is not the Federal government. He or she may be compensated based on your enrollment in a plan. Signing this form does NOT obligate you to enroll in a plan.

Signing this form does NOT affect the plan you are currently enrolled in, nor will it enroll you in a Medicare Supplement plan or other Medicare plan.
