Section 1 - Introduction

This directory provides a list of EssentiaCare's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your Primary Care Clinic (PCC). The term “PCC” will be used throughout this directory. Generally, you must get your health care services from your PCC. You can see any Primary Care Physician (PCP) at your clinic.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. You can get all covered services on your own, without a referral. If your Essentia Health physician decides you need an even higher level of specialized care for rare or complex health issues, your physician may coordinate your care with Mayo Clinic in Rochester at in-network cost-share levels. If you have been going to one network provider, you are not required to continue going to that same provider.

Out-of-network providers are under no obligation to treat EssentiaCare enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at at 218-722-4915 or 1-855-432-7025 toll free, 8 am – 8 pm, seven days a week. TTY users should call 612-676-6810 or 1-800-688-2534 toll free. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

If you obtain routine care from out-of-network providers, neither Medicare nor EssentiaCare will be responsible for the costs, except as described in the next section. With the exception of emergencies, urgent care, out-of-service-area renal dialysis, or some other services, it may cost more to get care from out-of-network providers.

As a member of our plan, you can choose to receive care from out-of-network Medicare providers. Our plan will cover services from either network or out-of-network providers, as long as the services are covered benefits and are medically necessary.

However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. Here are other important things to know about using out-of-network providers:

- You can get your care from an out-of-network provider, however, in most cases that provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you receive care from a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.

- You don’t need to get a referral or prior authorization when you get care from out-of-network providers. However, before getting services from out-of-network providers you may want to ask for a pre-visit coverage decision to confirm that the services you get are covered and are medically necessary. This is important because:
  - Without a pre-visit coverage decision, if we later determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. If we say we will not cover your services, you have the right to appeal our decision.

- It is best to ask an out-of-network provider to bill the plan first. If you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. If an out-of-network provider sends you a bill that you
think we should pay, you can send it to us for payment consideration.

- If you are using an out-of-network provider for emergency care, urgently needed services, or out-of-area dialysis, you may not have to pay a higher cost sharing amount.

When you receive needed care from a provider who is not part of the plan network, you are only responsible for paying your share of the cost, not for the entire cost.

- If you pay the entire amount yourself at the time you receive care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.

- At times you may get a bill from a provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
  
  - If the provider is owed anything, we will pay the provider directly.
  
  - If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.

- Mail your request for payment together with any bills or receipts to us at the Direct Member Reimbursement (DMR) address:

  **EssentiaCare**  
  Attn: DMR Department  
  P.O. Box 52  
  Minneapolis, MN 55440-0052

**Emergency and Urgently Needed Care/Renal Dialysis**

Please note: Emergency care, urgently needed care, and out-of-service-area renal (kidney) dialysis are required under the Medicare program to be covered at in-network cost sharing for both plan and non-plan providers.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When you are out of the service area and cannot get care from a network provider, we will cover urgently needed care that you get from any provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider.

EssentiaCare provides world wide emergency and urgently needed care coverage with copays.

EssentiaCare Network Pharmacies

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under EssentiaCare only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 01/21/2021. For the most current list, please contact us. Our contact information appears on the front and back cover pages. You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with a ® to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Express Scripts. For more information, please contact us or see the mail order pharmacy section of this directory.

We also list pharmacies that are in our network but are outside the service area, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the pharmacy sections in this directory or contact Customer Service.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact EssentiaCare Customer Service.
