

# Specialty Pharmacy Drug List

Specialty medicines are usually prescribed by doctors who treat chronic and complex disease. These medications usually require a higher degree of management, are high in cost and are generally not stocked at retail pharmacies.

Most specialty medications can be filled at:

**Fairview Specialty Pharmacy for UCare Individual and Family Plans and UCare Individual and Family plans with Fairview members:**

- Phone: 612-672-5260
- Fax: 866-347-4939

This list applies to **UCare Individual and Family Plans** and **UCare Individual and Family plans with Fairview** only and is updated regularly. Drugs with a Non-Formulary status may be covered under your medical benefit. Please go to [ucare.org](http://ucare.org) to review coverage criteria.
