I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the State where I live) on this enrollment form means that I have read and understand the contents of this enrollment form. If signed by an authorized individual (as described above), this signature certifies that: 1) This person is authorized under State law to complete this enrollment; and 2) Documentation of this authority is available upon request from Medicare.

Return paper enrollment forms in the enclosed postage-paid envelope.

Please contact us if you need information in a language other than English or in an accessible format (Braille).
Follow the steps outlined and review the important notes below before filling out your form. You can also apply online at ucare.org.

**STEP 1:** Provide your name, address, and phone number. Email and race are optional.

**STEP 2:** Choose the primary care clinic you want to use. See the Primary Care Clinic Listing to find the Clinic ID number.

**STEP 3:** Indicate the date you would like to start your coverage. In order for us to accept an enrollment form, a valid request must be made during an election period. Coverage always begins on the first of the month.

**STEP 4:** Provide your Medicare insurance information.

**STEP 5:** Check the plan you want to enroll in. UCare Classic is only available in certain counties. Refer to the service area map in your Summary of Benefits.

**STEP 6:** Read and answer questions 1 – 9.

**Note related to question 1:** If you have had a successful kidney transplant and/or you don't need regular dialysis any more, please attach a note or records from your doctor confirming this development, otherwise we may need to contact you to obtain additional information.

**Note related to question 7:** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp. If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

**Note related to question 8:** Please read this important information: If you currently have health coverage from an employer or union, joining this plan could affect your employer or union health benefits. You could lose your employer or union health coverage if you join this plan. If you have questions, read the communications your employer sends you, visit their website, or contact the office listed in their communications. If there isn't any information on whom to contact, call your employer's group benefits administrator.

**STEP 7:** Choose how you want to pay your premium. If you do not select a payment option, you will get a bill each month.

**Note related to SS/RRB deduction:** If you choose to pay your premium through monthly deduction from your Social Security (SS) or Railroad Retirement Board (RRB) benefit check, this deduction may take two or more months to begin after SS or RRB approves the deduction. In most cases, if SS or RRB accepts your request for automatic deduction, the first deduction from your benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If SS or RRB does not approve your request initially, we will send you a paper bill and resubmit your request. Please pay these bills until your deduction begins.

**Note related to IRMAA:** If you are assessed a Part D-Income Related Monthly Adjustment Amount (IRMAA), you will be notified by the Social Security (SS) Administration. You will be responsible for paying this extra amount in addition to your plan premium. You will either have the amount withheld from your SS benefit check or be billed directly by Medicare or the RRB. DO NOT pay UCare the Part D-IRMAA.
STEP 8: Read this important information. By completing this enrollment form, I agree to the following: UCare Medicare Plans are Medicare Advantage plans and have contracts with the Federal government. I will need to keep my Medicare Part A and Part B. I can be in only one Medicare Advantage plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I don’t have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare’s), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (e.g., October 15 – December 7 of every year), or under certain special circumstances.

UCare Medicare Plans serve specific service areas. If I move out of the area that UCare Medicare Plans serve, I need to notify the plan so I can disenroll and find a new plan in my area. Once I am a member of UCare Medicare Plans, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from UCare Medicare Plans when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren’t usually covered under Medicare while out of the country except for limited coverage near the U.S. border. However, this plan provides worldwide emergency care.

I understand that beginning on the date UCare Medicare Plans coverage begins, I should get my health care from UCare Medicare Plans. In some cases, I may get covered services from out-of-network providers. With the exception of emergency or urgently needed services, or out-of-area dialysis services, it may cost me more to get care from out-of-network providers. If medically necessary, UCare Medicare Plans provide refunds for all covered services, even if I get services out of network. Services authorized by UCare Medicare Plans and other services contained in my UCare Medicare Plans Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with UCare Medicare Plans, he or she may be paid based on my enrollment in UCare Medicare Plans.
