Understand your coverage

It’s easy to find a doctor and your prescription drugs.

Go to ucare.org and click on “search network” at the top of the page. Use this online tool to find:

  - Doctors, specialists, dentists, chiropractors and other kinds of care

- **Places**
  - Hospitals, clinics, home health care, hospice, urgent care and more

- **Pharmacies**
  - Community, hospital, clinical and online pharmacies featured

Access your member materials

It’s important to know what’s included in your health plan. Here are a few resources that can help:

- **Member Handbook** — Gives you detailed information about your plan, including your member rights and responsibilities

- **Provider and Pharmacy Directory** — Lists the doctors, dentists, pharmacies, hospitals and chiropractors in our network, including details on specialty, medical school attended, residency completed and board certification status

Here’s how to get these important member materials:

**Request printed materials**

You can ask for printed copies of your plan materials in two ways:

1. **Online** — Log in to your member account at member.ucare.org and send us a request
2. **Phone** — Call Customer Service
