- **Places**
  Hospitals, clinics, home health care, hospice, urgent care and more

- **Pharmacies**

Access your member materials

It’s important to know what’s included in your health plan. Here are a few resources that can help:

- **Member Handbook** — Gives you detailed information about your plan, including your member rights and responsibilities
- **Provider and Pharmacy Directory** — Lists the doctors, dentists, pharmacies, hospitals and chiropractors in our network, including details on specialty, medical school attended, residency completed and board certification status

Here’s how to get these important member materials:

**Online**
