

Changes to the UCare Prime (HMO-POS) 2019 Evidence of Coverage

November 2018

This is important information on changes in your UCare Prime coverage.

You recently received a hard copy of the Evidence of Coverage (EOC) or a notice providing information on how to access the document electronically or how to request a hard copy. This notice is to let you know there were errors in the EOC. Below you will find information describing and correcting the errors. Please keep this information for your reference. The correct EOC can be found on our website at ucare.org.

Changes to your EOC

Where you can find the error in the 2019 EOC	Original Information	Corrected Information	What does this mean for you?
Throughout the document	Although this plan does not have a premium, there are references to plan premium throughout the EOC.	Language that references plan premium has been removed or replaced with appropriate language.	You pay nothing for your monthly premium.
On pages 59, 88, 98, and 101, Section 2.1, “Your medical benefits and costs as a member of the plan”	See details of Point-of-Service out-of-pocket and plan benefit maximum under Section 2.3 of this chapter.	See details of Point-of-Service out-of-pocket and plan benefit maximum under Section 2.2 of this chapter.	The Point-of-Service section is 2.2, not 2.3 as originally noted.

Where you can find the error in the 2019 EOC	Original Information	Corrected Information	What does this mean for you?
On page 91 Section 2.1, “Your medical benefits and costs as a member of the plan”	Information is missing to fully describe coverage for low-dose computed tomography (LDCT) for lung cancer screening.	<i>For LDCT lung cancer screenings after the initial LDCT screening:</i> the members must receive a written order for LDCT lung cancer screening, which may be furnished during any appropriate visit with a physician or qualified non-physician practitioner. If a physician or qualified non-physician practitioner elects to provide a lung cancer screening counseling and shared decision making visit for subsequent lung cancer screenings with LDCT, the visit must meet the Medicare criteria for such visits.	If you need more than one LDCT, additional steps must be completed for coverage of subsequent LDCT, including a written order, lung cancer screening counseling, and a shared decision making visit.
On page 94, Section 2.1, “Your medical benefits and costs as a member of the plan”	Out-of-pocket and plan benefit maximum under Section 2.2 of this chapter.	20% coinsurance for Medicare-covered benefits. See details of Point-of-Service out-of-pocket and plan benefit maximum under Section 2.2 of this chapter.	You have 20% coinsurance for any home support services to treat kidney disease received out-of-network.
On the back cover	UCare Classic Customer Services	UCare Prime Customer Services	Although the Customer Services phone number was correct, it listed the wrong plan name. This has been corrected to UCare Prime.

You are not required to take any action in response to this document, but we recommend you keep this information for future reference. If you have any questions please call us at 612-676-3600 or 1-877-523-1515 (toll free), 24 hours a day, seven days a week. TTY users can call 612-676-6810 or 1-800-688-2534 (toll free).
